It is no longer news that God shapes the world by prayer.

Prayer is a voice onto God's ear,

and it lives as long as God's ear is open to holy places and as long as God's heart is alive to holy things.

Earth is charged and changed, revolutionized, angel will be forceful, more rapid and God's policy is shaped and more efficient.

There will be fulfillment and potency when God's house on earth is a house of prayer.
